

Digital TV Conversion

You have a few weeks left to get two (2) FREE \$40.00 coupons towards the purchase of up to two digital TV (DTV) converter boxes. If you use or plan to use a TV antenna you will need a converter box when the federal government begins the transition to DTV on 2/17/09. Find out more about DTV transition at www.DTV2009.GOV, or contact the City at 619-409-3893. Shop Chula Vista... a list of participating local retailers comes with your \$40 coupons.

Do you use an antenna for your TV broadcast or plan to in the future? On February 17, 2009 all full-power broadcast television stations in the US (and some in Mexico) will stop broadcasting on analog airwaves and begin to broadcast only in digital. Digital broadcasting will allow stations to offer improved picture and sound quality and additional channels. For a limited time the federal government is offering two \$40.00 coupons per household, for the digital to analog converter boxes. You will also be sent a list of local Chula Vista stores where converter boxes are available when you receive your coupons. Find out more about whether or not you will be impacted by the digital TV (DTV) transition at www.DTV.2009.GOV or contact the Chula Vista Department of Conservation and Environmental Services at 619-409-3893.
